Dala's Blue Angels Walk a Mile/5K to Stop Child Abuse: A Huge Success!

What an incredible day it was on Saturday, April 6th, as hundreds of compassionate individuals gathered at Academy Square for a single mission: to put an end to child abuse.

Dala Johnson, the driving force behind this amazing organization formed in 2012, has been a beacon of hope for children in need. Dala's Blue Angels is dedicated to promoting the well-being of children and preventing child abuse and neglect through education and advocacy. Their unwavering commitment to the community's children is truly inspiring.

Through their tireless efforts, Dala's Blue Angels has raised hundreds of thousands of dollars throughout the year. By volunteering and organizing fundraising events, they have been able to provide grants and funding to groups and organizations that work tirelessly on behalf of children in our community.

Let us take a moment to recognize and appreciate the tremendous impact Dala's Blue Angels has had on the lives of countless children. Together, we can create a nurturing environment where every child feels safe, loved, and protected.

A MESSAGE FROM DOWNTOWN

I am proud life-time resident of Lebanon, where I am grateful to be raising my family. I am thrilled to witness the remarkable transformations taking place in our beloved city. Over the past few years, I have been fortunate to experience numerous positive changes firsthand.

I am one of the owners of Willamette Valley CrossFit, along with also having the privilege of being the director of Santiam Excursions and a newly appointed board member for the Lebanon Downtown Association. These roles allow me to actively contribute to the growth and health of Lebanon.

Being part of the vibrant and dynamic community of Lebanon has been an incredible journey. I am genuinely excited about the progress we are making and the endless possibilities that lie ahead.

I believe Lebanon to be a place where dreams become realities, and I am honored to be part of this transformative journey. Let's continue to embrace change, support local businesses, and build a thriving Lebanon together!

Merchant Clean Up Day on Main Street!

On May 18th and 19th we are coming together to beautify our beloved street.

Here's what we have planned:

Trash clean-up: Let's make Main Street sparkle by tackling the trash that has accumulated. Every little bit helps!

Sidewalk pressure washing: We want to ensure our sidewalks shine bright! If you have a pressure washer and are willing to lend a hand, please let us know.

Storefront cleaning: First impressions matter! Let's give our storefronts a fresh and inviting look.

We need your support to make this event a success! If you have a pressure washer and are willing to help pressure wash a block, please reach out to the LDA. Your contribution will make a significant difference in our community.
