FEBRUARY 2026

## WELCOMING NEW BUSINESSES IN THE DOWNTOWN

We are thrilled to welcome three amazing new businesses that are sure to enrich our community:

Oregon's Indoor High Caliber Kitchen brought to you by the owners of Oregon's Indoor Shooting Range, this new eatery is serving up fresh, high-quality meals at competitive prices. Conveniently located right next door to the shooting range, it's the perfect spot to grab a delicious bite before or after your shooting session!

Margin Coffee Roasters second location, taking over the former Hazella's space. This cozy café features a full coffee menu, along with a delightful selection of Hazella's beloved baked goods, favorites from their Albany shop, and some new tasty additions. It's set to become a vibrant gathering spot for coffee enthusiasts, fostering great conversation and connections within the community.

Akida Clips Barber Shop located in the historic old Wells Fargo building, Akida Clips Barber Shop is your go-to destination for all your grooming needs. They offer a wide range of services, including fades, tapers, scissor cuts, beard trims, mustache trims, hot towel shaves, and so much more! With a welcoming atmosphere, they cater to everyone—whether you have curly or straight hair, and regardless of age.

Join us in supporting these fantastic new additions to Downtown Lebanon. Together, they'll create a lively atmosphere filled with great food, exceptional coffee, and top-notch grooming services.

# HAPPENING DOWNTOWN

We are excited to share that the City of Lebanon has officially opened applications for the Downtown Revitalization Grant for the 2025-2026 cycle! This initiative is designed to support projects that enhance and beautify our vibrant downtown area.

**Important Dates to Remember:**

**Application Period:**

**Opened:** January 12, 2026

**Closes:** February 23, 2026

This year, we are pleased to offer two distinct grant match options to accommodate a variety of projects. Applicants can select from a combination of Micro Grants or apply for a more substantial grant of up to \$25,000. This is a fantastic opportunity for local businesses and organizations looking to make meaningful improvements to our community!

Many of our downtown buildings have greatly benefited from these grants, and we extend our heartfelt thanks to the city for their ongoing support. Without these grants, many buildings would not have the charm and appeal they possess today.

# A MESSAGE FROM BOARD

---

## Join the Lebanon Downtown Association Committees!

Calling all passionate individuals interested in making a difference in our downtown community! The Lebanon Downtown Association is seeking dedicated members to join our committees.

If you've ever had a burning desire to contribute to an organization committed to enhancing the downtown landscape, look no further! We have a place for everyone, whether you're into design, promotion, economic vitality, or outreach.

Committee meetings are held once a month, providing an exciting opportunity to collaborate, brainstorm ideas, and shape the future of our downtown.

Don't miss out! If you'd like more information or are ready to get involved, please reach out to the Lebanon Downtown Association. Together, let's create a downtown we can all be proud of!

## SPONSORSHIP OPPERTUNITIES

The Lebanon Downtown Association is committed to creating a vibrant downtown atmosphere by organizing a variety of free community events and programs that foster connection among residents. To support this mission, we are actively seeking to raise money to fund local events throughout the year. As a sponsor, your participation will enhance the community and support events and programs that bring joy to all. Some of our signature events include Movies at the Mill, Concerts in the Park, Downtown Classic Car Show, Downtown Trick or Treat, Downtown Art, First Fridays, and many more.

We are currently organizing sponsorship opportunities for the 2026 year. By investing in the Lebanon Downtown Association, you are contributing to the overall well-being of our community.
